HELEN YONGE LIND CAREER AND TECHNICAL EDUCATION SCHOLARSHIP ENDOWMENT

REASON FOR THE GIFT

This Fund is being established by Helen Yonge Lind to support students pursuing a degree or certificate in career and technical education programs at any community college campus within the University of Hawai'i System. She is establishing this scholarship because she believes strongly in education. She has chosen to support the Career and Technical Education program to help individuals whose personal and career goals are not met at the University level.

ABOUT THE DONOR

Helen Yonge Lind's maiden name, YONGE, is the very old English spelling of YOUNG. Her English ancestors stubbornly retained the old spelling through the centuries. Helen is a 1931 graduate of the Kamehameha School for Girls, before Kamehameha became coeducational, and in 1935 she was awarded a BS in Home Economics at UH Mānoa.
